Oct 2	Workshop/Lecture
Nov 13	Photo Show & Tell

The Night shoot will be at Gisborne this time. Meet at Mitre 10 (which is just south of the main roundabout with the fountain) at 7. There will be limited disposable cameras, so it will be first there gets a camera for \$15. Instructions about what shots to take will be given on the night.

On a sad note we would like to acknowledge the passing of past camera club member Frank Twycross. Frank was an active photographer all his life, photographing horse races in his younger working life. Frank loved developing his own colour photographs especially portraits, until the chemicals impinged upon his health. He then took his hand to oil painting, but still had a camera by his side. Our sympathies to his family and wife Joy who was a constant companion.

2006 -07 Committee Members

President	Ron Mathews	54 273 284
Vice President	Justin Matthews	
Secretary	Mark Funston	
Comp Steward	John Sargent	54 261 758
